

MONEYGEMENT

(Money Management)

Financial Well-being Result	<p><i>Check one: Base on your Financial Wellbeing Scoring Sheet</i></p> <p> <input checked="" type="checkbox"/> Having trouble <input type="checkbox"/> Just coping <input type="checkbox"/> Getting by <input type="checkbox"/> Doing great </p> <p>Specific issue: I don't a work that is consistent and sustainable, I only have part time job, my mother is a single parent and also my mother is a cancer patient right now.</p> <p>If <i>Doing Great</i>, what needs to be enhanced? Better at saving or managing money and hopefully in the future have a consistent or better income.</p>
Financial goal	<p>Find a job that pays well, anything well do.</p>
<p>Financial Planning</p> <p>What financial skills you need to improve to address the presented issue?</p> <p>Managing money.</p>	
Budgeting	<p>Specific strategies: Needs comes first. Identify the needs and budget most of the money to the needs.</p>
Saving	<p>Specific strategies: I save for emergency but mostly I can't since my part time job is just enough to sustain my needs and sometimes others things but if ever I do have enough to save. It would be in the bank or e wallet since most e wallet have a interest and save it for most needed.</p>
Investing	<p>Specific strategies: I don't do investment but online investment are a hot take right now but It has too much risk to even consider participating or trying with little knowledge.</p>
